

Errata and Addenda "Eclipse 2 for Java Developers"

Last modified: September, 2004

In the following list we formatted text to be deleted as ~~strike through and with yellow background~~. Text to be inserted is formatted in **red** color.

Page 37, Section 1.6.3, first and forth bullet point:

The function Generate Delegate Methods... is mentioned twice. Replace the first occurrence (bullet point 1) with the second occurrence (bullet point 4) and delete the second occurrence.

Page 81, Section 3.3.4, third paragraph, third sentence:

The we open the class JavaClipAudioPlayer in ~~package~~**project** FreeTTS, select
